Princess Elizabeth's Wedding Day -Pitkin Classics 2017-10-05 We are honoured to announce the re-release of the first ever Pitkin title, published by Mr Pitkin in 1947 to celebrate the magical wedding day of Princess Elizabeth and Prince Philip in Westminster Abbey on 20 November 1947. It was a day of colourful pageantry and heartfelt rejoicing for the British people in the grey aftermath of war and rationing. The young couple took with them down the aisle the hopes and aspirations of the whole nation. Now, 70 years on, Pitkin has great pleasure in publishing this souvenir facsimile edition to celebrate the royal couple's platinum wedding anniversary. For most of the UK population, Queen Elizabeth II is the only monarch we have known and the world has watched her flourish into not only a loving wife and mother, but the longest reigning living monarch in history. Prince Philip has been her 'strength and stay' for the duration of her reign and, in her own words, we 'owe him a debt greater than he would ever claim.' Their long and happy marriage has been one of the deepest in love and affection, echoing the Archbishop's blessing on 20 November 1947: 'May God's unfailing love always surround and protect you. May He, day by day, now and always, give you joy in all your married life, every blessing, peace and happiness.'

Wedding Day Murder -Leslie Meier 2011-10-24 New York Times-Bestselling Author: A millionaire is found dead near his yacht, and a local mom launches an investigation... Already juggling four kids' hectic schedules, a rambunctious dog, an attention-craving husband, and a full-time reporter job, Lucy Stone can't possibly squeeze in another responsibility...or can she? There's a big wedding coming up, and Lucy's promised her friend she'll help arrange the lavish event in a newly built gazebo. Too bad the groom, internet millionaire Ron Davitz, is getting on the nerves of the locals, especially after their boats were displaced to make room for his yacht. When Ron's body is found floating in the harbor, Lucy isn't convinced it was accidental. From the picturesque waterfront to tony Smith Heights Road, Tinker's Cove is awash with suspects. Now, fresh from wedding planning, Lucy finds herself contemplating her own funeral as she pursues a killer who'll do anything to keep from being unveiled.... "Meier takes well-worn plot elements—small-town tensions, in-law troubles—and buffs them into a fresh yarn. Characters and their interactions are realistic and dryly humorous [and] the Maine coast provides an evocative backdrop."—Booklist

Performance, Poetry and Politics on the Queen's Day -Virginia Scott 2017-03-02 This collaborative, interdisciplinary study explores a variety of issues in theatrical and literary history that converge in two performances given at the palace of Fontainebleau on 13 February 1564. Part of the fabled Fêtes de Fontainebleau, this carnival Sunday entertainment was produced at the behest of Catherine de Médicis and created by courtiers and artists including Pierre de Ronsard, the greatest lyric poet of the French sixteenth century. While focused on the text and production of Ronsard's <i>Bergerie</i> and the choice and production of the tale of Ginevra from Ariosto's <i>Orlando furioso</i> , the study also examines the urgent circumstances of the festival - the moment, shortly after the end of the First War of Religion, was critical and highly charged - as well as its political program and the rhetorical strategies employed by Catherine and Ronsard to promote harmony among the opposing factions of nobles. The authors' exploration of the Queen's Day also leads them to consider a range of questions pertaining to Renaissance and early modern court performance practices and literary-cultural traditions. The book is distinctive in that it crosses disciplinary and national boundaries, and in that a number of the issues it addresses have received little or no previous scholarly attention.

The Oxford Handbook of the Age of Shakespeare -R. Malcolm Smuts 2016-04-21 Rather than seeking to survey the historical 'background' to Shakespeare, the essays in the collection display a variety of perspectives, insights and methodologies found in current historical work that may also inform literary studies. In addition to Elizabethan and early seventeenth century polities, they examine such topics as the characteristics of the early modern political imagination; the growth of public controversy over religion and other issues duringthe period and ways in which this can be related to drama; attitudes about honour and shame and their relation to concepts of gender; histories of crime and murder; and ways in which changing attitudeswere expressed through architecture, printed images and the layout of Tudor gardens.

Museums of the World-Marco Schulze 2005 Anybody wanting to know if there are any museums in Lapland will strike it lucky with this work! They will be told that the Sa mi Museum and Northern Lapland Nature Centre was founded in Inari in 1961, which departments it houses as well as the name of its director - simply ask him or her any further questions directly, either by post, phone, fax or e-mail. The museums are coded by 22 categories identifying focus and type of each institution. The thematic scope ranges from 'Agricultural Museum' to 'Science and Tech Museum'. In addition, venues such as 'Historical Site', 'Open Air Museum' and 'University Museum' are differentiated from each other. "Museums of the World" has been completely revised and updated. With some 1,300 museums entered for the first time, the current edition of the handbook lists over 41,600 museums in 199 countries. Museums are listed hierarchically by country and place, and within places, alphabetically by name. Should a museum have recently changed its name, the previous name will still be given, along with a reference to the current one. Owing to the ever increasing number of entries, "Museums of the World" is now published in two volumes. An chapter provides 474 museum associations in 118 countries. Searches are greatly facilitated by three indexes: the alphabetical index lists the names of all museums in the original language - and in English, too, if a translation is available. The index of names records artists whose works are shown predominantly in a specific museum and/or refers to memorabilia of famous individuals from all walks of public life. Looking for 'Laurel, Stan', the user is given one entry (Laurel and Hardy Museum in Ulverston, UK), while 'Johann Wolfgang von Goethe' is not restricted to Frankfurt and Weimar but may be found in no fewer than 18 museums in Germany, France and Italy. Last but not least, the subject index classifies museums according to 214 subject groups (containing numerous further cross references), structured alphabetically by country and museum name. A standard work for museums, the art trade, centres of cultural studies, libraries and anybody searching for a specific museum for private, academic or business reasons.

The Queen Mother and Her Century-Arthur Bousfield 2000-07 To honour the Queen Mother and mark the occasion of her 100th birthday, Dundurn Press is publishing a biography of this remarkable woman in words and pictures. Since her marriage to George VI, the Queen Mother has been a public figure who has always evoked passionate reactions: whether it was the anonymous soldier who vowed "to fight for that little lady," Adolf Hitler who described her as "the most dangerous woman in Europe," or the Canadian journalist who coined the expression "the Queen Mum." A Canadian perspective on a sovereign who created and cultivated a special relationship with Canada informs The Queen Mother and Her Century. The first of many tours of Canada, the Royal Tour of 1939, which gave Canadians our initial opportunity to experience the Queen Motherâ€(tm)s personal magnetism first-hand, is described in detail, along with the many Canadian relationships the Queen Mother has formed since. The Queen Mother and Her Century is a wonderful album-sized (81/2â€ x 11â€) commemorative keepsake and makes a thoughtful gift for the many admirers of the Queen Mother. The text and 120 colour photographs are complemented by time bars, lists of the Queen Motherâ€(tm)s official tours, associations the Queen Mother is patron of, places that are named after the Queen Mother, and the Royal Family tree.
