**You Saw Too Much**-Adam Nicholls 2021-02-04 Her life was taken from her. Now, she wants it back. Lori had it all until that day: the perfect marriage, a job she loved, and a beautiful home in a small town. But when a tragic car wreck takes her husband's life and leaves her hospitalized, she has to learn to live alone again. Her friends look out for her, or so they say, but they don't believe her when she says she's being followed. Her counselor says she's suffering

PTSD, and her sister says she's paranoid. But Lori knows herself better than anyone else does, and she's certain someone is watching her. What she doesn't know is why, but she'll do anything to find out—even if it costs her life. Tormented by nightmares, mood swings, and self-doubt, Lori's life is on the brink of collapse. Every move she makes will leave you begging for the truth until the very last page in this brand-new psychological thriller full of lies and conspiracies. "Revenge isn't an option. It's

her only option. Enthralling stuff!" "If you're a fan of vigilante justice stories, you'll love this gripping new novel." "Another great thriller from two incredible authors. I couldn't put it down!"

### **Shadow of the Stolen Sun-**

Richard S Pearce 2022-02-07

The stakes have never been higher in this exciting, action-packed, second chapter of the Stolen Sun Saga. "You asked me before what I thought we were wrong about? Well, I think we were wrong about a great many things. Whatever happens next, it will be our fault. Six months had passed since the fateful events of Children of the Stolen Sun and the night when Trudy Baker revealed the secret truth of Arktropolis to everyone. Thanks to Trudy and her friend's efforts, the cities people have stepped foot into the sunlight for the first time in generations, with many people now opting to live outside the city, among the fresh air of their newly discovered homeworld. However, everything is not as peaceful as it seems. There is an ominous shadow forming

on the horizon. Freedom may have come at a steep price. A legendary enemy of all humankind has returned, an alien life form known only as, The Protectors threaten everything. Their return will ignite a colossal showdown with the last humans that will test our young friend's strength and resilience. Difficult discussions lie ahead on a battlefield where friendships and loyalties are thrown into turmoil. How much did Ex-Captain Scott know about The Protectors? What costs will the young Captain, Mick Tyson, endure to protect his city from total destruction. Follow Trudy Baker as she unravels the mysteries of the past in a desperate attempt to save the future.

### **The Stolen Lady-**

Laura Morelli 2021-09-21 From the acclaimed author of The Night Portrait comes a stunning historical novel about two women, separated by five hundred years, who each hide Leonardo da Vinci's Mona Lisa—with unintended consequences. France, 1939 At the dawn of World War II,

Anne Guichard, a young archivist employed at the Louvre, arrives home to find her brother missing. While she works to discover his whereabouts, refugees begin flooding into Paris and German artillery fire rattles the city. Once they reach the city, the Nazis will stop at nothing to get their hands on the Louvre's art collection. Anne is quickly sent to the Castle of Chambord, where the Louvre's most precious artworks—including the Mona Lisa—are being transferred to ensure their safety. With the Germans hard on their heels, Anne frantically moves the Mona Lisa and other treasures again and again in an elaborate game of hide and seek. As the threat to the masterpieces and her life grows closer, Anne also begins to learn the truth about her brother and the role he plays in this dangerous game. Florence, 1479 House servant Bellina Sardi's future seems fixed when she accompanies her newly married mistress, Lisa Gherardini, to her home across the Arno. Lisa's husband, a prosperous silk merchant, is aligned with the

powerful Medici, his home filled with luxuries and treasures. But soon, Bellina finds herself bewitched by a charismatic monk who has urged Florentines to rise up against the Medici and to empty their homes of the riches and jewels her new employer prizes. When Master Leonardo da Vinci is commissioned to paint a portrait of Lisa, Bellina finds herself tasked with hiding an impossible secret. When art and war collide, Leonardo da Vinci, his beautiful subject Lisa, and the portrait find themselves in the crosshairs of history.

**Moneyball (Movie Tie-in Edition) (Movie Tie-in Editions)**-Michael Lewis

**Twisted Justice**-M. A. Comley 2015-12-22 Do

accidents really happen? Or is it sabotage when a boat explodes? A cruel loss of life... Digging into the victim's past leads Lorne across the county border to team up with an old friend, DI Sally Parker. What they reveal is mind-blowing. Grown men are terrified, too terrified to speak out. So how will Lorne and Sally bring the culprit to Justice?

Determination and putting their lives on the line will be the key to solving this case. An intriguing thriller not to be missed, grab your copy today. For fans of Robert Bryndza and Angela Marsons. From NY Times bestselling author M A Comley with over two million copies sold to date.

**Pre-Incident Indicators of Terrorist Incidents**-Brent L. Smith 2011-01 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and

prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

**Tracking Traveler**-J. W. Hawks 2016-08-10 Cullen Baker is a top detective on a case trying to solve the mass murder of twenty-five people. The crime had taken place in a building where top secret products were being created. With the help of his partner, Sandy Fortner, they set out to catch the thieves of the products and murderers of the victims. Before they can solve the case, their investigation comes to a dead end. The case takes twists and turns when they discover a person named Traveler, whose face has never been

seen. All the evidence is pointing to this mysterious being, naming him the number one suspect. Searching for answers, Cully and Sandy meet a man named Scott Bennett. Scott tells Cully his wife was kidnapped after he unknowingly gains possession of a mass amount of stolen goods. Cully suspects the kidnapper to be Traveler, and with the help of Scott, they set out to catch the faceless man.

#### **Sherlock Holmes- 2010**

"He's an intelligent man. He was once rich and is now poor. His wife loved him once, but she doesn't love him now. And he's thirty or forty years old.' One look at an old hat, and Sherlock Holmes can tell you a lot about his owner. He sees - and thinks - a lot more than the people around him, and when a beautiful blue diamond disappears, Sherlock is the only man in London who can find it"--Back cover.

#### **Slow Horses (Deluxe Edition)-Mick Herron**

2020-11-24 Welcome to the thrilling and unnervingly prescient world of the slow horses. This team of MI5 agents is united by one common bond: They've screwed up royally and will do anything to redeem themselves. This special

tenth-anniversary deluxe edition of a modern classic includes a foreword by the author, discussion questions for book clubs, and an exclusive short story featuring the slow horses. London, England: Slough House is where washed-up MI5 spies go to while away what's left of their failed careers. The "slow horses," as they're called, have all disgraced themselves in some way to get relegated there. Maybe they botched an Op so badly they can't be trusted anymore. Maybe they got in the way of an ambitious colleague and had the rug yanked out from under them. Maybe they just got too dependent on the bottle—not unusual in this line of work. One thing they have in common, though, is they want to be back in the action. And most of them would do anything to get there—even if it means having to collaborate with one another. When a young man is abducted and his kidnappers threaten to broadcast his beheading live on the Internet, the slow horses see an opportunity to redeem themselves. But is the victim really who he appears to be?

**Once Upon a Duke**-Erica Ridley 2018-10-09 A heartwarming, second chances, reunion romance from a New York Times bestselling author: Enjoy a fun regency romp featuring a spinster in a counting house, a grumpy duke, goats, true love, and a partridge in a pear tree. What could go wrong? Absolutely everything! Beware romantic spirits from Christmas past... Due to the terms of an estranged relative's will, the Duke of Silkridge must revisit the cold, unforgiving mountains where he lost everything he once loved. As soon as he restores his family legacy, he'll return to London where he belongs. He definitely won't rekindle the forbidden spark crackling between him and the irresistible spitfire he'd left behind... Noelle Pratchett is immune to charming scoundrels like the arrogant duke. He stole her heart, stole a kiss, and then stole away one night never to return. Now he's back—and they both know he won't stay. But how can she maintain her icy shields when every heated

glance melts her to her core? The 12 Dukes of Christmas is a series of heartwarming Regency romps nestled in a picturesque snow-covered village. After all, nothing heats up a winter night quite like finding oneself in the arms of a duke!

**The Baker's Secret**-Stephen P. Kiernan 2017-05-02 A tale beautifully, wisely, and masterfully told." — Paula McLain, author of *The Paris Wife* and *Circling the Sun* From the multiple-award-winning, critically acclaimed author of *The Hummingbird* and *The Curiosity* comes a dazzling novel of World War

II—a shimmering tale of courage, determination, optimism, and the resilience of the human spirit, set in a small Normandy village on the eve of D-Day. On June 5, 1944, as dawn rises over a small town on the Normandy coast of France, Emmanuelle is making the bread that has sustained her fellow villagers in the dark days since the Germans invaded her country. Only twenty-two, Emma learned to bake at the side of a master, Ezra Kuchen, the village baker since before she was born. Apprenticed to Ezra at thirteen, Emma watched with shame and anger as her kind mentor was forced to wear the six-pointed yellow star on his clothing. She was likewise powerless to help when they pulled Ezra from his shop at gunpoint, the first of many villagers stolen away and never seen again. In the years that her sleepy coastal village has suffered under the enemy, Emma has silently, stealthily fought back. Each day, she receives an extra ration of flour to bake a dozen baguettes for the occupying troops. And each day, she mixes that precious flour with ground straw to create

enough dough for two extra loaves—contraband bread she shares with the hungry villagers. Under the cold, watchful eyes of armed soldiers, she builds a clandestine network of barter and trade that she and the villagers use to thwart their occupiers. But her gift to the village is more than these few crusty loaves. Emma gives the people a taste of hope—the faith that one day the Allies will arrive to save them.

**Blockbuster Video Guide to Movies and Videos, 1996-**Blockbuster Entertainment Corporation 1995 With over 300 new entries added since the 1995 edition, this ultimate video guidebook for all video viewers gives a clear plot summary of each film, an MPAA rating, and extensive

indices. From new releases to classics, foreign films to children's viewing, this reference contains over 20,000 entries of films available on video.

**Television Specials**-Vincent Terrace 2013-06-19 This is a complete revision of the author's 1993 McFarland book *Television Specials* that not only updates entries contained within that edition, but adds numerous programs not previously covered, including beauty pageants, parades, awards programs, Broadway and opera adaptations, musicals produced especially for television, holiday specials (e.g., Christmas and New Year's Eve), the early 1936-1947 experimental specials, honors specials. In short, this is a reference work to 5,336 programs--the most complete source for television specials ever published.

**Don't Look Back**-Jay Nadal 2018-05-14 They made a mistake. Now, they'll pay. It's been weeks since Lori Turner lost everything: her loving

husband, their unborn child, and even her mind. At least the man responsible was dead. Lori had seen to that and left to find a new home--a new life. But after a perfect start in a new town, a careless encounter with a young woman leaves Lori nursing her bruises. If there's one thing Lori's learned, it's to not let the shadows of her past darken the future, and it's not just her that needs that advice. As she investigates the town, Lori finds there's more than meets the eye with this young woman, and her pursuit of justice will have cruel, sinister consequences. It was supposed to be a stop-by, but Lori is drawn into a world of deceit and deception, increasingly out of her depth. It's a perfect follow-up for the outstanding thriller *YOU SAW TOO MUCH*, keeping readers on the edge of their seats until the end. "Lori is back with an eye for justice!" "This just might be my new favorite vigilante thriller." "Brilliant. Every page is riveting!"
